SIP Trunking from VOIP Innovations

Provided by ElectSys Tech

Voip Innovations' tiered origination provides reliable, fully redundant, carrier grade connectivity for customer who expect their VOIP service to work as good or better than previous wire line services. They provide access to nearly 8000 rate centers with 110,000 DIDs in stock, which boasts one of the largest VOIP originators in the United States.

Service	Call Paths	DIDs Included	Additional DIDs	Domestic Inbound Minutes	Domestic Outbound Minutes	Overage Minute Cost	Monthly Cost	Setup Fee
